

# INTERNATIONAL PICKLEBALL TEACHING PROFESSIONAL ASSOCIATION

## Why should my club become an IPTPA Junior Development Training Center?

1.) Help grow the sport of pickleball from the ground up. Yes, pickleball is the fastest growing sport in the country for a reason, IT'S FUN! Kids should have the opportunity to share in that fun.

2.) Pickleball is a fun, social, positive activity that kids of all ages can and should be able to enjoy at a reason cost. By offering these programs you are making a difference in a child's life.

3.) As an IPTPA Junior Development Training Center you will be listed in our National database as a place for families and children to learn and train as pickleball athletes. It will help grow teaching opportunities at your club and help grow your membership base.

4.) As a facility that promotes fun, positive family activities you will grow your membership in a positive way. Members love to support and cheer on the improvement of junior players. Your club and members will proudly foster and encourage the community support of its juniors.

5.) Possible Revenue increases due to New Memberships, New Clinic Offerings, Junior Tournaments, Round Robin opportunities and Equipment Sales.

6.) Your club becomes a place for junior players to connect, play and train with other junior players.

7.) Junior players that excel at the sport and in tournament play have the opportunity to attend IPTPA led training camps and even a chance to be part of the USA National Junior Team in 2024.
